## ABOUT US

With over 25 years of experience in the tourism industry and over 12 years of owning this camp, our passion and dedication for fishing continues and we feel blessed to be able to share that passion with you as our guests.

It is our hope that you will leave here with an increased knowledge about our fishery, more friendships, a deeper appreciation of God's creation and hopefully a few extra trophy-sized fish under your belt!

Our whole family will be here to help make your trip more enjoyable. Be on the lookout for the "staff in training" (our 3 kids) and for Colette, who is there to help manage the camp and do much of the "behind the scenes" work.

We are fortunate that this unspoiled, pristine northern land is our second home and we welcome you to come share in this blessing.

**We pride ourselves in presenting it as it is!**

**When you arrive at one of our camps, things are just as you were promised when you booked the trip... no surprises!**

**We have something to offer every fisherman out there, whether it's a "full-service" experience or a "do-it-yourself" adventure, or anything in between.**

# Trophy pike fishing at its best!

## WHY DO PIKE GROW SO BIG HERE?

- Catch & release
- Barbless hooks
- Good genetics
- Large forage base
- Only lodge on the lake
- Only 16 people per week.
- Fly-in only so low fishing pressure

*Dream Big - Catch Bigger*

Northern Pike is what we do and what we're known for. Without a doubt Waskaiowaka Lake is one of the best trophy pike lakes in all of Manitoba.

Each year we put hundreds of trophy pike into the record books and have been doing this year after year. With our limited number of guests each week and our conservation efforts, we know this caliber of trophy pike fishing will last for years to follow.

Come and experience the adrenaline rush of catching, fighting and landing THE Big Game Fish of Canada!

**Dunlop's Lodge has something to offer everyone regardless of age.**

**Bring your family and create a memory of a lifetime.**

# Main Lodge

Our main lodge is nestled amongst the birch and pine of the Northern Canadian Boreal Forest at the mouth of the Little Churchill River.

This location is perfectly situated to fish the surrounding lakes and rivers of this region, where the great trophy pike fishing occurs.

**We offer the full American plan with chef-prepared meals, guided services and housekeeping. Accommodating only 16 guests per week, we take pride in providing you with great care and personalized service that can only be achieved in a smaller camp setting.**

*Here, we treat  
our guests as great  
friends - you'll  
never feel like you're  
just a number!*

*Dream Big - Catch Bigger*

**Once you arrive on our gravel airstrip after the 35 minute flight from Thompson, the lodge and cabins are just a short walk or ride away.**

We have cabins to accommodate 2-, 4- and 6-man groups and they all have breathtaking views of the lake, bathroom(s) with hot showers and 24-hour generated electricity.

Our cozy lodge is always open for you to come kick up your feet and relax by the fire, eat a warm meal and socialize with other guests, or just to grab a snack or ice for your cabin.

Our main lodge boats are 16 foot Alumarine Pro Guide Deluxe boats, fully equipped with 40hp 4-stroke Yamaha outboards, built in casting decks, GPS tracking devices, first aid kits, depth finders, floor boards, padded swivel seats, rod holders, drink holders, release cradles, life jackets, paddles and coolers.

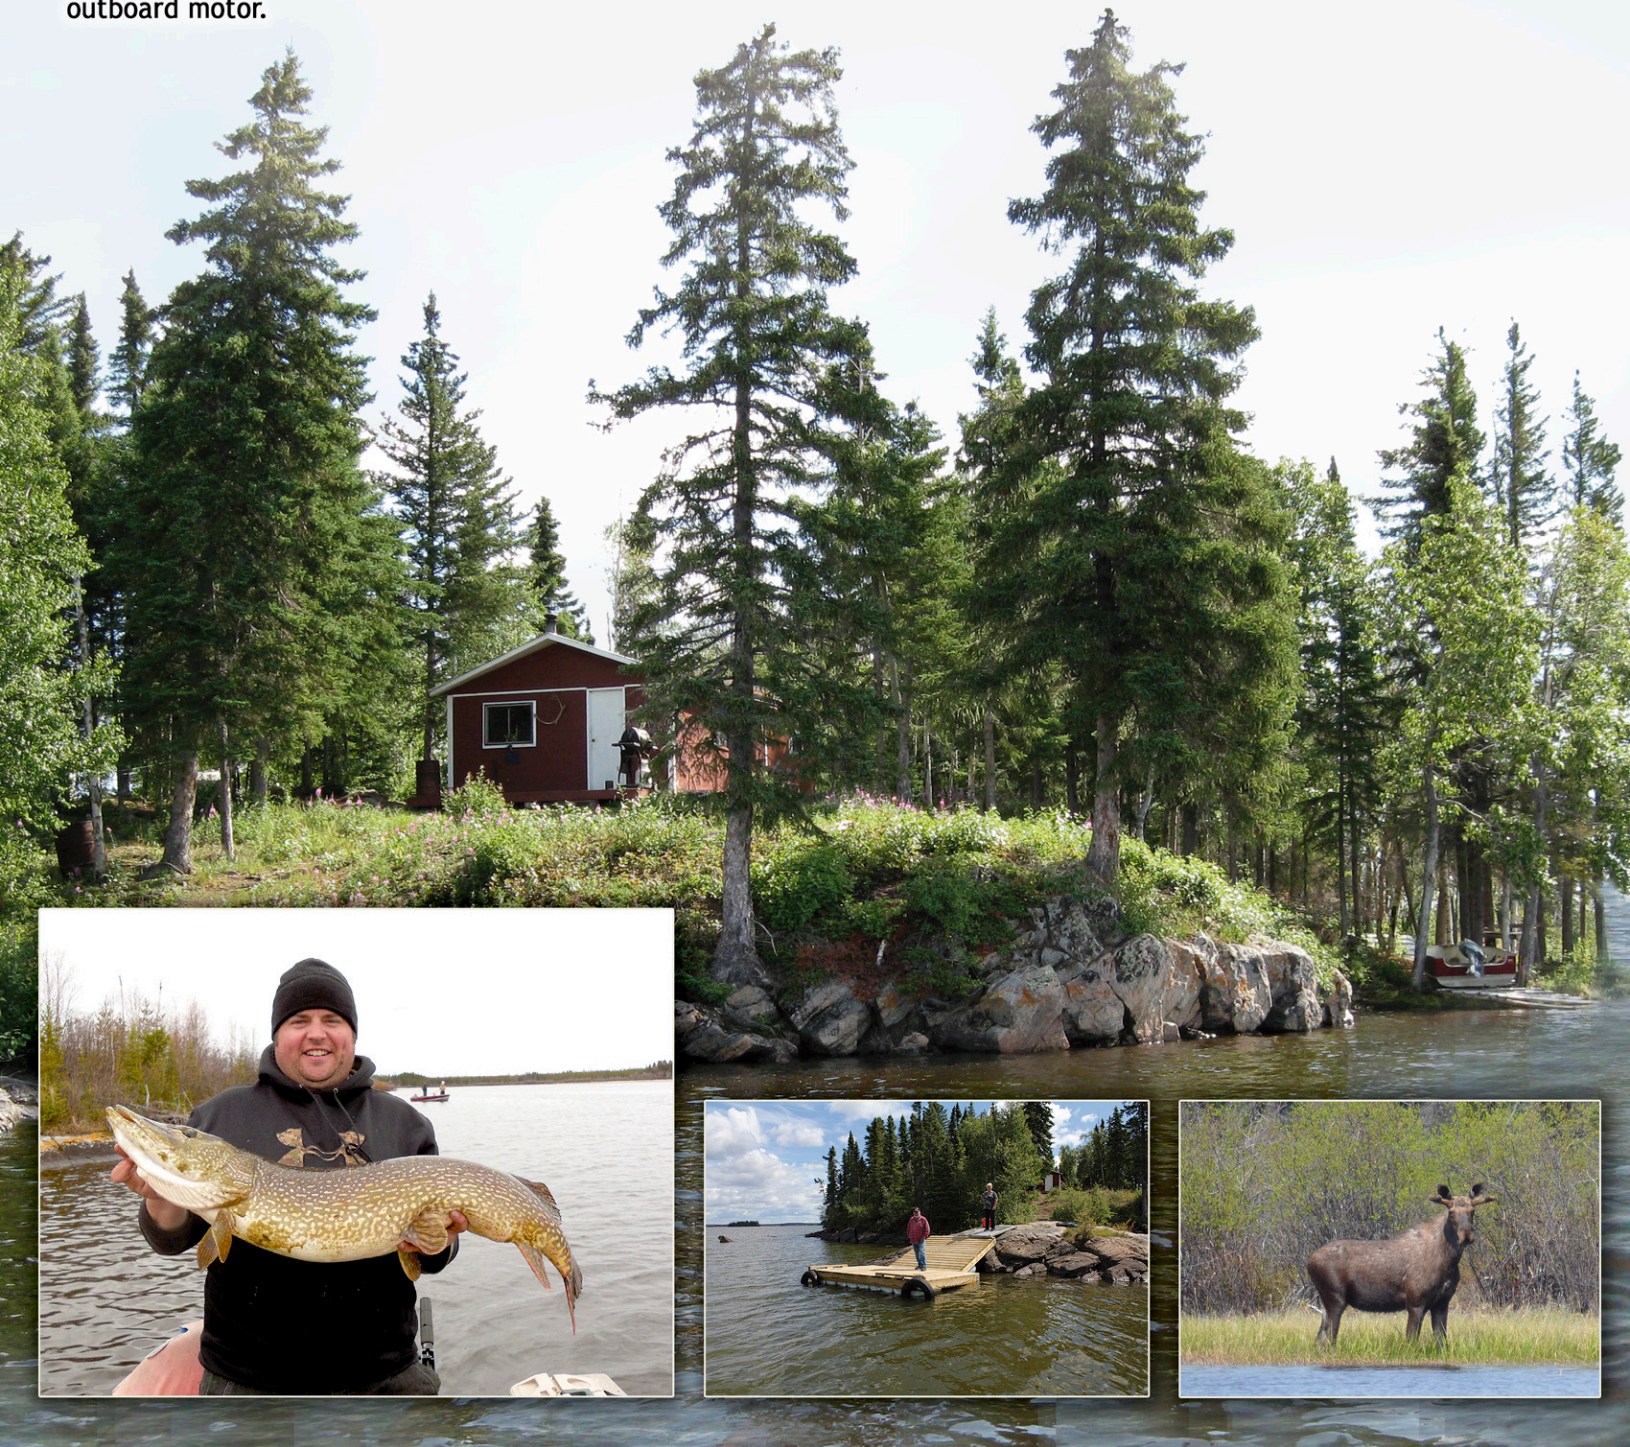

# Pelletier Lake Outpost

This outpost camp is located on a small scenic island on the west end of Pelletier Lake, right in the middle of "Big Pike Country!".

Enjoy the breathtaking view of the sunsets and the peace and quiet of having the lake all to yourself. With no roads, nor any other cabins, the only noise you hear is the occasional call of the local wildlife or the hum of your outboard motor.

*Dream Big - Catch Bigger*

Fishing on this lake is phenomenal and will keep you entertained all day long as this lake is known for its BIG trophy pike and golden chunky walleye.

A camp manager will meet you with supplies for your stay. Once you're comfortable with everything, the place is all yours for the week. He will return at the end of your week to ensure that everything ran smoothly so that we can provide a continuity of excellence.

**Pelletier Lake  
Outpost is an  
easy, hassle  
free outpost  
experience**

# Campbell Lake Outpost

**One cabin... one lake...  
all to yourself!**

**At Campbell Lake Outpost  
you have it your way and on  
your own schedule.**

**With no road access, no fly-ins and no other cabin on the lake, your friends and nature's creatures are the only forms of life you will see and hear.**

**This outpost camp is a traditional outpost where you bring your own food and bedding. If needed, food packages can be pre-ordered with the local grocery store online. The cabin accommodates 4-6 adults comfortably.**

*Dream Big - Catch Bigger*

Campbell Lake is a great lake with a good reputation for producing numerous trophy Northern pike year after year, with the biggest recorded pike caught on this lake measuring a whopping 55 inches.

There is also a healthy supply of walleye so if it's shore lunches you crave, you can feast on those for as many meals as you choose!

## CAMPBELL OUTPOST

# Hunting

**Black bear hunting in this part of Canada is a great opportunity to harvest that trophy of a lifetime!**

We hunt a large area of Waskaiowaka Lake and only take a limited number of hunters each year, ensuring that we will be able to continue to offer the same quality of trophy hunting for years to come.

The black bears in this region have no fear of man as this fly-in location has no road access, no local hunters and very little hunting pressure.

Our exclusive allocation gives us the freedom to hunt without interruption.

The hunts will be run out of a remote cabin in the center of this vast area allowing for easier access to all parts of the lake.

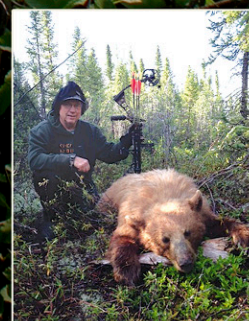

Once your hunt is over, the adventure continues with the action-packed trophy pike fishing that Dunlop's has to offer. A perfect combination!

# Walleye Fishing & Shore Lunches

Walleye fishing on Lake Waskaiowaka is truly amazing.

Shore lunch just wouldn't be the same without these chunky golden walleye fried just the way you like them.

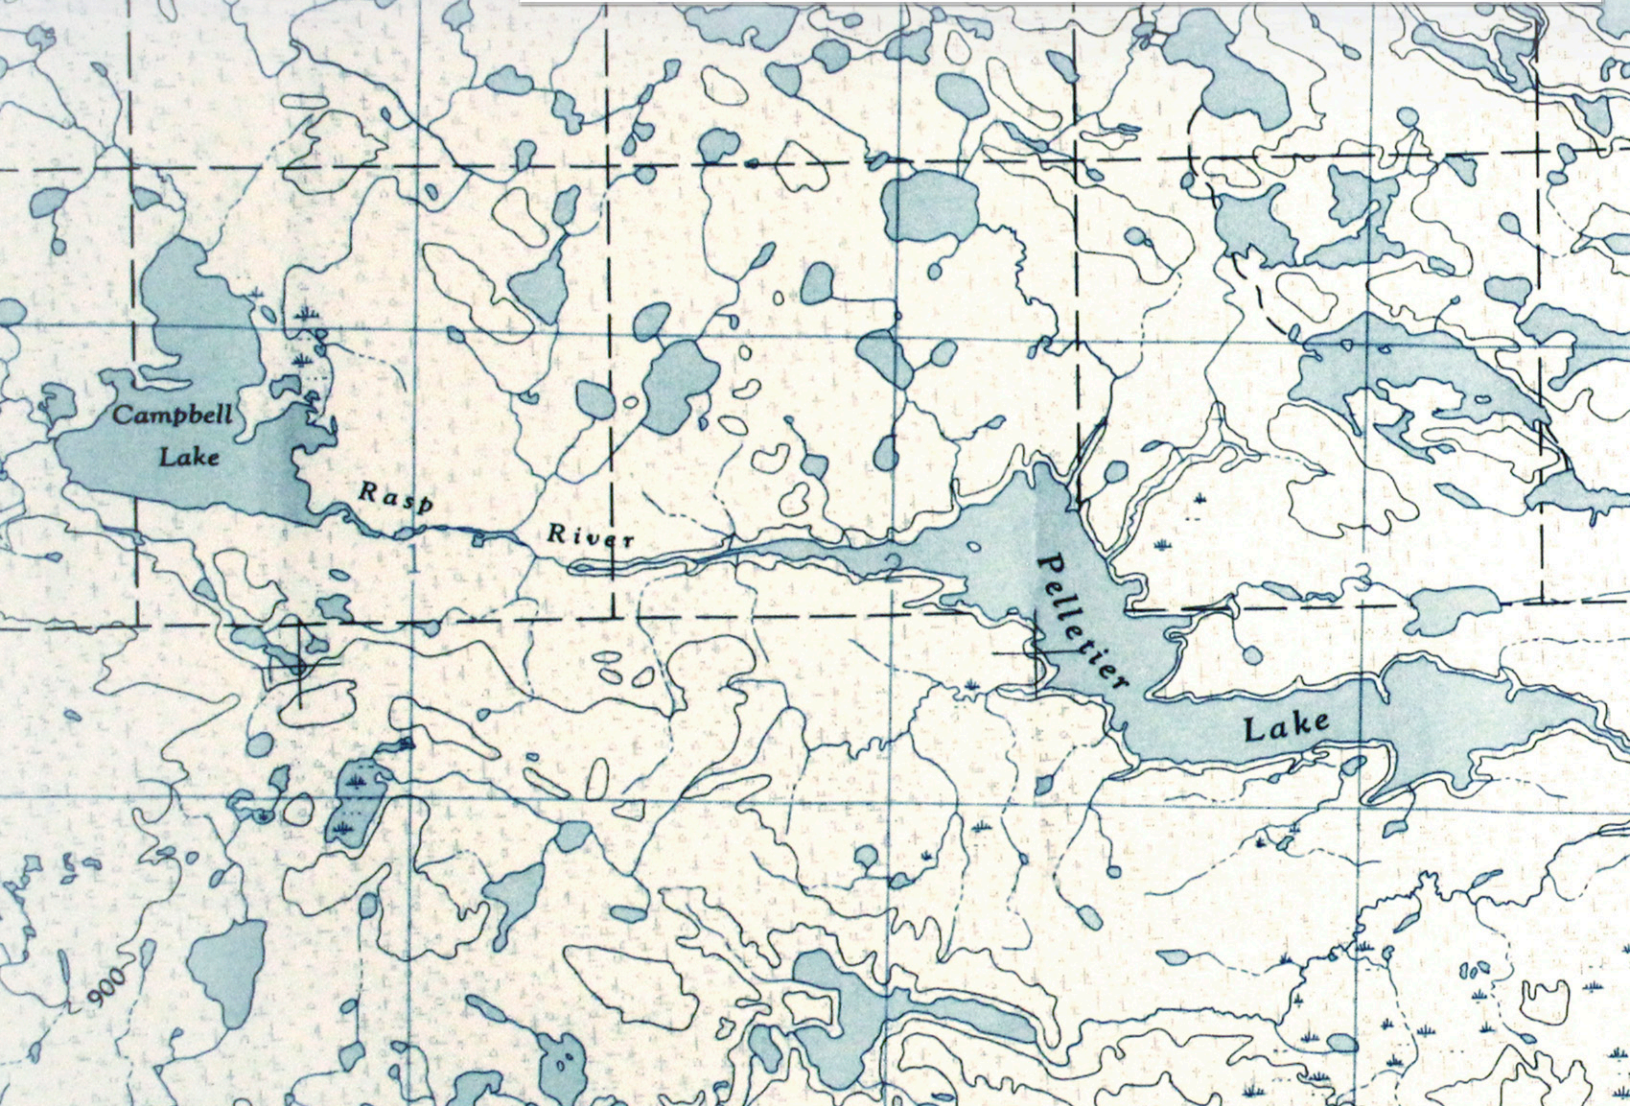

During your stay at the lodge, you can eat all you want for shore lunch but all others must be released back to the water.

# Maps

Dunlop's Lodge is located in the northern part of the province of Manitoba, Canada and approximately 90 miles north of the town of Thompson.

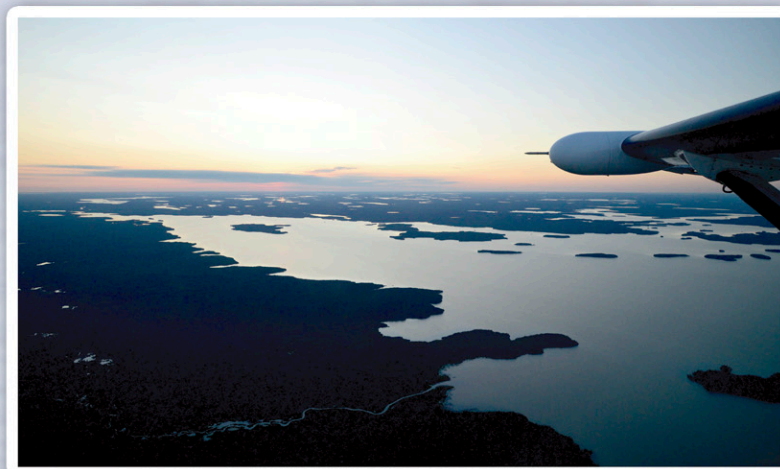

*Dream Big - Catch Bigger*

# How to get there

## If you are flying...

If you decide to fly, Thompson MB can be reached by commercial flights with Calm-Air. First, you need to fly to Winnipeg MB, clear customs and then take the connecting flight up to Thompson the day before your trip start date.

## If you are driving...

If you decide to drive, head north from Fargo, ND on the I-29 which becomes Highway 75 in Manitoba and leads straight into Winnipeg. Take Winnipeg's North Perimeter Highway 100 and head North on Highway 6 all the way up to Thompson (approx. 7 hours north of Winnipeg.)
